	The Statement of Impartiality	Revision No:	00
		Effective date:	01.11.2018

The Statement of Impartiality

With this NOVA EXPERT declares that it understands, ensures and respects the principles Impartiality and confidentiality throughout the whole certification process, in accordance with the requirements of EN ISO/IEC 17024 standard and NOVA EXPERT PCB Quality Management system described in Operations Manual.

NOVA EXPERT PCB understands the importance of impartiality in carrying out its certification activities, manages conflict of interest and ensures the objectivity of its certification activities.

NOVA EXPERT PCB ensures the meaning and importance of Impartiality, manage the conflict of interests and ensure the objectivity in certification activities.

NOVA EXPERT PCB always applies impartiality principles in their operations on relation to its applicants, candidates and certified persons. This means that certification process provides equal opportunities of success for each candidate.

Certification are not restricted on the grounds of undue financial or other limiting conditions, such as membership of an association or group.

NOVA EXPERT PCB maintains the responsibility for impartiality of its certification activities and does not allow that any commercial, financial or other pressures to compromise impartiality could compromise impartiality in any way.

NOVA EXPERT PCB on the regular bases has identify threats to its impartiality including the threats that arise from its activities, from its related bodies, from its relationships, or from the relationships of its personnel. The threats to impartiality has been identified and maintained within Management review.
